Beaverton Police Investigating Rite Aid Robbery

On August 30th at 8:37 pm Beaverton Police responded to a call of a robbery at the pharmacy section of the Rite Aid Store located at 11190 SW Barnes Road. It was reported that one male suspect entered the pharmacy area and presented a note to the pharmacist that demanded prescription medications. No weapons were seen or implied or directly stated in the note. The suspect received an undisclosed amount of generic medications and fled the store. A K-9 track led directly to a nearby parking lot and abruptly ended.

The suspect is described as a white male adult in his late 30's to 45 years of age, approximately 5'11" to 6 feet tall with a thin build, short strawberry blond hair wearing a black short sleeved shirt with a design on the front and a pair of black casual walking shorts, and black or grey running shoes. The suspect was in possession of a black messenger bag or laptop style bag that he slung over his left shoulder. The suspect did not have any visible tattoos or glasses or facial hair.

Anybody with information about the suspect or robbery is asked to call the Beaverton Police Department.
